Guidelines for Time table

- As per the guidelines received from MHRD, the screen time for Academic period is 40 minutes each.
- For Activity periods, only links will be provided so that the students can do learning at their own pace.
- For any doubts regarding Academics, please write in PTI head on the school APP.
- Please note that students will send all the work done in academics and activities on their subject teacher in files of Microsoft teams of their subject class.
