Theme of the month : MY GREEN PLANET

- Importance of Plants & Trees
- Uses of Plants & Trees
- How to Save Trees

Movie of the Month –

<https://youtu.be/ktYroQP5A1c> **(The Legend of Three Trees)**

Rhymes of the month

A Little Seed

A little seed for me to sow,
A little earth to make it grow.
A little hole, a little pat,
A little wish, and that is that.
A little sun, a little shower,
A little while, and then a flower.

पेड़ लगाओ

पेड़ लगाओ, पेड़ लगाओ,
हरा भरा जीवन बनाओ ।
छाया ये हमको देते हैं,
फल ये हमको देते हैं ।
बाढ़ से हमको बचाते हैं,
प्रदूषण दूर हटाते हैं,
हम भी पेड़ लगाएंगे,
संसार को हरा-भरा बनाएँगे ।

Story of the month

The apple tree and the boy

Once upon a time, there lived a farmer in a village, who had a big garden that had an old apple tree with other plants, trees and beautiful flowers. When the farmer was a little boy, he spent much of his time playing with the apple tree. Now, the apple tree was home to several little animals in the neighborhood. This included squirrels, sparrows and a huge variety of birds and insects.

However, the old, huge apple tree had stopped bearing fruits a long time ago. Therefore, he decided to cut the tree and use its wood to make some new furniture. He took his axe and began chopping the tree, all the little animals came rushing down and pleaded with the farmer, to not to cut down the apple tree.

But the farmer forgot his childhood and who were his friends as a little boy. He began to chop the tree harder. All the little animals became desperate, and wanted to protect the apple tree at any cost.

He suddenly noticed something shiny. On inspecting, he realized that it was a beehive, full of honey. He took a little and put it in his mouth. The taste of the honey woke up the little boy in him. Suddenly, the memories of his childhood came rushing back. The honey tasted so good, that he wanted more. It brought a sense of happiness to him. He smiled and exclaimed, "This tastes amazing."

Realizing the change in the farmer's attitude, the little animals said in unison; the bee said, "I will always provide you with sweet honey." The squirrel said, "I will share any amount of nuts that you want." The birds cried, "We will sing as many songs as you want."

He threw away the ax and said to the little creatures, "I promise that I would never cut this tree. I have realized my mistake and you all can now live peace and harmony."

Conversational drill

Q.1. When do we celebrate Republic Day?

Ans. 26th January.

Q.2. What does a Plant need to grow?

Ans. Air, Water & Sunlight.

Q.3. Name 2 Medicinal Plants?

Ans. Tulsi & Neem.
