## Rhymes of the month

### A little seed

A little seed,  
For me to sow  
A little earth,  
To help it grow.  
A little sun,  
A little shower,  
A little while,  
And then- A  
FLOWER!

गर्मी आई गर्मी आई।  
गर्मी आई गर्मी आई  
घर घर में यह पंखा लाई  
सबको पास बुलाता पंखा  
मीठी नींद सुलाता पंखा  
ठंडी हवा खिलाता पंखा  
बहुत आराम है देता पंखा.

### Story of the month- Seasons

One day, the seasons had an argument. Each one of them said, "I am the best!"

Spring said, "I am, when flowers bloom and it is green and fresh everywhere. Birds fly and insects have fun with new flowers."

Summer said, "Yes, but I am, when the sun shines brightly and it feels too hot to do anything. People eat ice-cream, enjoy cold drinks and eat yummy watermelon.

Autumn said, "I am, when trees shed their leaves and cover the earth in orange brilliance. The air feels cool."

Winter said, "I am, when people wear woolen clothes, caps and gloves to keep their bodies warm. They get to drink hot chocolate".

Since they couldn't decide who was best, So they went to ask Earth about it. Earth said you all four are equally important for me. The seasons agreed and decided not to fight again.
