सर्दी का सूरज

सुबह सुबह आ जाता सूरज

दगा नहीं मचाता सूरज,

पकनिक रोज़ मनाता सूरज,

बर्गर हो या पज़ा पेस्ट्री

सबके मजे बढ़ाता सूरज,

नरम दूध पर छाया रहता

यहाँ वहाँ इतराता सूरज,

दिन भर मेरे साथ खेलता

शाम ढले घर जाता सूरज

STORY OF THE MONTH - THE GREEDY DOG

Once there lived a dog. He was very greedy. One afternoon, the dog was terribly hungry. He started looking for something to eat. Just outside his house, there was a bridge. "I will go and look for food on the other side of the bridge. The food there is definitely better," he thought to himself.

He walked across the wooden bridge and started sniffing around for food. Suddenly, he spotted a bone lying at a distance. "This looks a delicious bone," he said. Without wasting any time, the hungry dog picked up the bone and he ran towards his house.

While crossing the wooden bridge, the dog looked down into the river. There he saw his own reflection. The foolish dog mistook it for another dog. "There is another dog in the water with bone in its mouth," he thought. Greedy, as he was, he thought, "How nice it would be to snatch that piece of bone as well. Then, I will have two bones."

So, the greedy dog looked at his reflection and growled. The reflection growled back, too. This made the dog angry. He looked down at his reflection and barked, "Bow, Wow, Bow, Wow" As he opened his mouth, the bone in his mouth fell into the river. He lost the piece of bone because of his greed.

Moral: We should not be greedy.
