

HOLIDAY HOMEWORK CLASS- II

Dear students,

Summer vacations are about to start and it is time for you to have some fun. No waking up early, packing bags and going to school in the morning.

We wish that you enjoy every minute of this long summer break. Explore new areas, visit museums, learn new things, go for morning walk, read story books and help your parents and grandparents during your summer vacations.

We are giving you homework which you have to complete during your holidays. Do it yourself and submit the homework after the vacations.

Wish you all a very enjoyable summer break.
