

SUMMER HOLIDAY HOMEWORK

SESSION 2017-18

CLASS V

CONCEPT: Upcoming Projects of the Session

Dear Parents,

The much awaited holidays are here. It is the time to relish chilled delicacies of the season and fill the spirits with new energy and vigour. The need of the hour is to make the optimum use of the energy and creativity of students. Keeping this in view the following projects are constructed to enhance the knowledge of the child about:

- a) Versatile singers**
- b) Formation of clouds**
- c) Save paper**
- d) Acclaimed Authors**

LEARNING OBJECTIVE:

- Enable the child to understand and explore about famous singers who brightened the world with their vocal skills.
- Make the child familiar to authors who wrote not to be famous but to be heard.
- Enable the child to know about formation of different types of clouds.
- Language development of the child
- Enhance the knowledge about the grammar.
- Sensitize the children about the Environment.
- Enhancing the writing skill of the child.

PLEASE NOTE:

- *Revise all the work done in books and notebooks of all subjects covered till now.*
- *The school will reopen on 3 July 2017*
- *Last date of submission of summer holiday homework is 10 July 2017.*
- *All subjects homework to be done in coloured A4 sheets, make a decorative paper folder to keep your holiday assignment.*

ENGLISH

1. Read about biography or autobiography of any eminent art personality of India and write its summary in a scrapbook.
2. Read newspapers and write two new words with their meaning and make your own personal dictionary. Also mention the date and name of the newspaper as source.
3. Paste pictures on a chart paper depicting a story with dialogues of your own.

HINDI

- 1- किन्ही तीस शब्दों का एक शब्द कोष ए4 शीट पर बनाइए।
- 2- कोई दस पर्यायवाची और दस विलोम शब्दों के आकर्षक फ्लैश कार्ड बनाइए।
- 3- कोई चार प्रसिद्ध लेखकों या कहानीकारों की एक लकड़ी की कठपुतली ☐स्टिक पपेट☐ बनाइए तथा उनका जीवन परिचय लिखिए। ☐ए4 शीट पर ☐

MATHS

- 1) Draw a factor tree of five 3-digit numbers by using waste material easily found at home. (old bangles, wool , coasters etc.)
- 2) Collect pictures of your favourite singers and arrange them according to their net worth(annual income) in ascending order in a scrap book. Also write number names of their net worth in international and Indian number system.

SCIENCE

1. Conduct an experiment at home using evaporation to form clouds.
2. Make a science journal covering following subject matters:
