Virtual Orientation Day

“When the winds of change blow, some people build walls and others build windmills.”

A similar change took place with the students of grade III as they embarked upon a new journey where there will be

no concept of mother teacher and they will have few new subjects to learn about. In order to give glimpse of the new session, a virtual orientation program was organized by DIS for the parents and students of grade III.

Parents were acquainted with the curriculum, assessment policy, various co-scholastic activities, exam policy, yearly syllabus, prescribed books and other important guidelines by our respected Junior Headmistress, Ms. Madhuri Singh. The presence of distinguished guest Dr. Naina Kapoor with her insightful and expert talks enlightened the session attendees on various levels.

In a nutshell the three ‘I’s very well described today’s grade III orientation session i.e., intuitive, illuminative and impeccable. Earth Day

Earth Day is an annual event celebrated to demonstrate support to protect the environment. To celebrate this day, Delhi International school, Sector-23 , Dwarka organized various activities like Poster making for class V, Mask Making for class IV and Best out of waste for the students of class III on the virtual platform to create an awareness among the students to save the environment and our Planet. Students showcased their creativity and participated in these activities with great zeal and enthusiasm.

Virtual Tour to Zoo

“Be kind to animals”

Zoo is one of the most favorite places for all of us to visit. DIS organised a virtual trip to the zoo for Nur- KG kids. Teachers and students actively participated and made this trip successful with their amazing handmade headgears and face mask . The ingenious hardwork of our enthusiastic teachers and parents made it fun filled visit to the zoo. These learning moments were fill with sequels of laughter and delight.

DIS Senior

Orientation

An Online Orientation program was organized by Delhi International School, Dwarka sector 23 for the parents of Grade VI to XII students in April, 2021. The main objective was to familiarize the parent partners in progress with the curriculum, rules and regulations, teaching methodologies, the Co-scholastic activities, the examination system and the newly inducted online sessions.

House Activity

Students of grade VI-XII celebrated the birth anniversary of Dr. B.R. Ambedkar on 16th April 2021 through a poster making activity. On this auspicious day, children pay him respect and tribute on what he has contributed to Indian law and the constitution.

Educational Excursion to ISRO

Delhi International School organized educational Excursion to ISRO Satellite Center (ISAC) on 16th April, 2021. ISRO has been the India's Pride, World's Envy. Students studied the models and witnessed the manufacturing process of base of the launcher vehicle. Students asked many queries and tried to understand the mechanisms of Space technology. A life time, memorable and worthy experience for students of our school. All students were very excited and full of enthusiasm.
