# Principal's Message

Dear Children,

*'If you are planning for a year, sow rice;  
If you are planning for a decade, plant trees;  
If you are planning for a lifetime, educate people.'*

-Chinese Proverb

The seeds of DIS were sown to provide education and knowledge to the younger generation of today so that they go on to make an impact on the world as lifelong learners creating, inventing and re-designing the fabric of the society and the world at large.

As, the great philosopher Plato had stated ' Do not train children to learn by force, but direct them to it by what amuses their minds, so that you may be able to discover the peculiar bent of the genius of each.'

I am glad that at Delhi International School, our endeavour is towards this very goal.

Principal

# MOTHER'S DAY ACTIVITY

*“A mother is the one who fills your heart in the first place.”*

—Amy Tan

A heartfelt message in your handwriting is one of the best gift you can give to her.

Students of grade I and II expressed their love for their mothers in different ways such as: by composing and reciting poems for her, dancing and singing and card making.

Students understood the value of their mother's sacrifices and happily expressed their feelings and emotion for their mothers the entire week.

# POSTER MAKING ACTIVITY

In the words of Kofi Annan " Extreme Poverty anywhere is a threat to human security everywhere." Children are the future of our nation, they need to understand the concept of 'Poverty' and significance to remove it. Keeping the same in mind, students of grade I and II were introduced with the concept of poverty and the significance of treating all the humans equal. They created posters writing the quotes on the theme no poverty.

# BAGLESS DAY

Heavy school bags have been a consistent reason for bad posture and backache amongst children and adolescents. In all the education circles, these hefty school bags have remained a dubious subject for years. Principal Dr. Priti Ojha at Delhi International school has taken an incredible initiative of bag less funday at school , The whole day was divided into different activities. Students participated in the fun races and were also shown a movie.

# CRAFT ACTIVITY

Like any other month, April month had a theme 'Peace.' To make students understand the meaning of the word, teachers of DIS conducted a craft activity wherein the little made cut-outs of their hands and made a dove mentioning a line that said 'I am Peaceful.' Via this activity they were introduced about the power of peace and how important it is to be peaceful in their life for further success.

## **ORIENTATION- VI-VIII**

Opportunities are a sack full of wisdom, experience and experiments that are inculcated within the lives of students to appreciate the hard work and tie up the complexities in a feasible manner. Delhi International School organized an orientation program for the parents of classes VI and XII. The program was addressed by the respective co-ordinators for their departments wherein they introduced the curriculum and syllabus for different classes via PPT. Furthermore, the program was initiated by the school counsellor Dr. Naina Kapoor who commenced with the briefing of parenting styles and the communication gap between children and parents, keeping a conscious mind with them and staying alert on the health matters. Moreover Dr. Naina introduced a new parent ambassador program ZARIYA.

## **SPELL BEE- GRADE VI-VIII**

Words are the containers for power, knowledge and wisdom. Delhi International School conducted an activity named 'Spell bee' for the students of grade VI-VIII wherein they were

given some words by the teacher and they had to write the same on the blackboard. Students were encouraged to learn new words via this activity and they how important it is to work on the spelling of any word.

# SPECIAL ASSEMBLY-EID-UL-FITAR

Delhi International School celebrated Eid and organized a special assembly. Eid ul-Fitar marks the end of the holy month of Ramadan. Eid-ul-Fitar is Allah's reward for believers who fasted during the holy month of Ramadan and is one of the two most important celebrations in the Muslim calendar. The students presented a skit on the performance of rituals, and the importance of giving charity to help the poor and spreading happiness. Eid celebration was followed by melodious Eid songs depicting the celebration and festivity on the day of Eid followed by a joyful dance.

## EARTHQUAKE DRILL

Mock drills and evacuation drills are executed at the school to create awareness and preparedness during calamities. To train students to be alert, quick, and responsible, to follow instructions, to maintain calm, and to avoid panic, to avert stampedes and casualties, an earthquake drill and preparedness activity was held on 11th April. The main aim of the drill was to apprise students on how to perform – Drop, Cover, and Hold-on, a quake safe action designed to protect lives and prevent injuries from falling and flying objects. Students were trained to reach the safe designated areas like under the desk and in the open space in case of any emergency.

# EDITOR'S MESSAGE

Dear Readers

This is a time for great change. In education too we see a fast transformation. The student today is an individual, is a real person with feelings of self-respect, sensitivity, responsibility and compassion. We as mentors need to recognise, appreciate, applaud and foster the fine blend of sensibilities in a child-and thus TARU the school magazine is to be viewed as a launch pad for the children's creative urges to blossom naturally. As the saying goes ' A mind is like a parachute that works best when opened.' This humble initiative is to set the budding minds free allowing them to roam in the realm of imagination.

Happy Reading Folks!

# DIS SUMMER CAMP

Conducted every year during the summer month by a countless number of organizations, summer camp is one of the most important programs for the kids today. Delhi International School, organised a summer camp for the students from 23rd May, 2022 to 27th May, 2022 in the school campus. This camp generally helped increase the leadership quality and proved beneficial to various skills along with psychological skills among the kids.

There were various activities planned and organised for the students such as: Language Development, Little chefs, Story-telling, Dance. Music etc. These all helped the children to improve their communication and social skills. The summer camp proved to be an excellent opportunity to brush them up. It helped children to be more confident and obtain a sense of purpose. Our little chefs now know what they have to do with those two slices of bread when their mother isn't home. Whereas, our little tapping toes are now confident to perform on any stage.
