FATHER'S DAY CELEBRATION

Robert Browning has very rightly stated that "Take away love and our earth is a tomb". God has sent us love in various forms and one of them is your father. A father doesn't tell you that he loves you; he shows it to you. So this father's day our students showed their love to their fathers by making a photo frame with the help of bangles. Students were very excited and came up with wonderful work and were very happy to present the gift to their fathers.

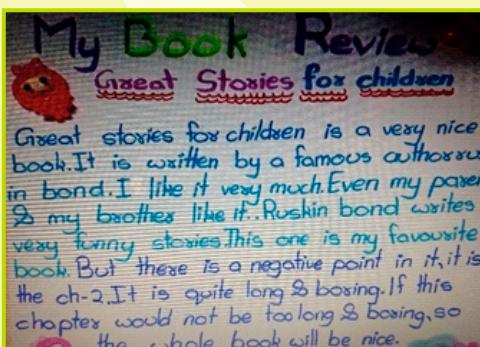

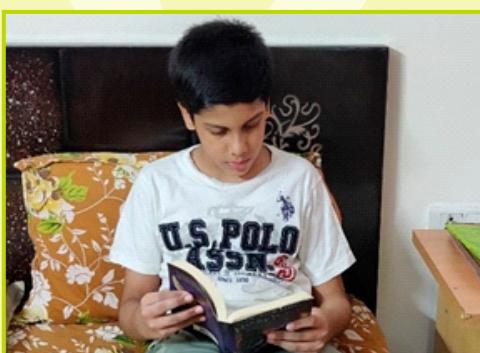

NATIONAL READING WEEK - 2021

"A reader lives a thousand lives before he dies... The man who never reads lives only one."

Our institution launched a Good reads Club from 21st June 2021 onwards for both the parents and students through a virtual platform. We also celebrated National Reading Week from June 21 to June 25. The main aim behind celebrating the same was to mark the importance of reading in one's life. This celebration not only enhanced the reading habits among the students but also helped the parents in developing a reading culture within their families.

During this week we developed the habit of reading in students. Students participated in various activities such as: they learnt to mimic their favourite character from the book, they also realised that it's not always the protagonist that can be their favourite but antagonist can be their favourite too .These activities were entirely related to reading books and creating their own corner or library in their houses.

Reading not only improves our vocabulary, it also provides knowledge and improves our imagination. Reading is one of the best forms of self-education for adults too. While it can be easy to watch a YouTube video or listen to a podcast, reading still takes the cake when it comes to comprehension and increasing your education. Reading helps you collect the thoughts and views of others and develop an educated opinion.

The 7th International Yoga Day Celebration

“योग से ही होगा”

Since its inception in the year 2015, June 21st is celebrated as The International Day of Yoga all over the world. Delhi International School, Sector 23, Dwarka amidst the Covid-19 crisis, celebrated the essence of the 7th International Yoga Day on 21st June 2021. The school organized a special guided virtual yoga session lead by Mr. Sumit Kumar, an experienced Yoga instructor from The University of Delhi and Joint Secretary of the State Yoga and Sports Association. The students of Grade Nursery to Grade 12 eagerly participated in manifold yoga exercises and Aasanas.

Orientation For Class 11th (Subject Selection for Future Road Map)

Education is empowering young talent and bringing the best out of innate hidden abilities of students.

Delhi international school as one of the prestigious institutions in the field of education always focuses on all-round and holistic development of students.

On June 14th'2021, DIS organised an online orientation for newly offered optional subjects- Legal Studies, Painting and Hindi- in order to insist students in receiving information from subject experts and ensuring that students make the best possible selection.

The orientation concluded with a round of questions and answers.
