SUMMER ENGAGEMENT PROGRAMME- 2021

“Creativity is as important now in education as literacy and we should treat it as the same status.” Our Institution organized for some interesting Summer Engagement Classes. It had a plethora of activities like Culinary Arts, Art Mania, Virtual Space Tour, Cyber World, Aerobics etc. It even had an amalgamation of innovational concepts like Experimental learning, Experiential Learning, Social and Interpersonal skills, Art Integrated learning etc. Students shared their Mesmerizing experiences as well. In a nutshell, these innovational activities engaged children positively.

Picture Description

Students expressed their experiences and reactions about the inscribed picture.

Art Integrated Learning

Students showed their creative instinct by making leaflets by wrappers of different household items.

Conceptual Learning

Experimental Learning

Under this category, students were taught different Mathematical concepts via different activities to make it a fun learning and task for students such as: Mensuration, Addition of Integers etc.

Students made different 3-D shapes like cuboid, cube, cone by using different household stuff available. They were also shown videos on Algebraic Identities and they demonstrated the same by paper cutting and pasting and gave the visual proof of identities.

Besides from conceptual learning, students also performed and enjoyed other activities like cuddling of milk. They learnt the importance of labels on different food items through an interactive session.

Social and Interpersonal Learning

Young minds are like little sponges, soaking huge amounts of information effortlessly, continuously and indiscriminately. Students were enlightened about different social and interpersonal skills, their importance along with the ways to develop and learn them.

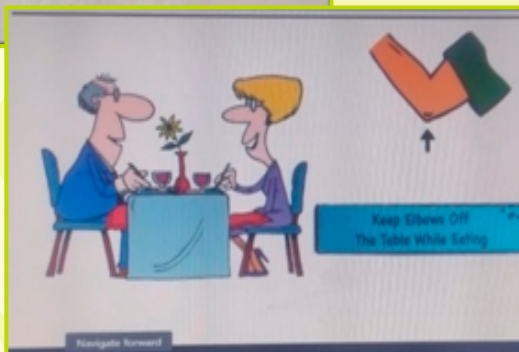

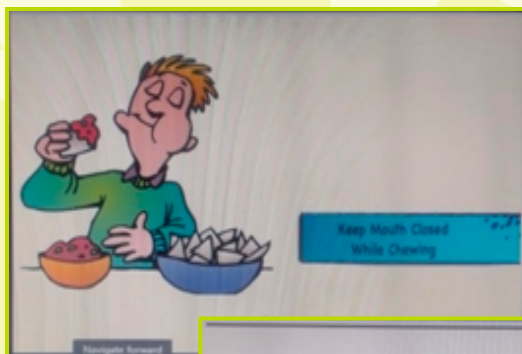

Abhivyakti

Students were asked to dress up and mimic their favourite Actor/Actress.

Culinary Art

Oscar Wilde said "The world was my oyster, but I used the wrong fork."

Activity like Culinary Art was organized with an objective to teach students certain table manners, feeding manners and etc.

Speakers Forum

The above mentioned activity was planned to enhance students communication skills and to develop their ability

They were asked to make a commercial of daily use items like: soaps, headphones, cellphones etc.

Rhythm Lounge

"Music is the shorthand of Emotion." Indeed, this activity was every child's favourite as they learnt how to produce music out of the waste material.
