

## HEAR FROM OUR STUDENTS

"I am Utkarsh Gupta of class V C. I am a student of DIS for seven years now. I absolutely love the school, its teachers, and my favourite, the playground. I am blessed with great teachers who are passionate about seeing their students succeed. It follows its motto --- CREATING GLOBAL HEADS WITH HEARTS which is very true. It emphasizes in developing values and I am sure I'll be successful in whatever I do".  
"GREAT TEAM -- GREAT SCHOOL !"

**Utkarsh Gupta**  
CLASS - V C

"I am Jasneen Kaur from Class IV-A. I feel happy that I am part of the Delhi International School at Dwarka, Sector-23. I love my school and the education it offers. I learn new things every day. My school focuses on discipline and encourages us to speak in English so that we become confident. I often participate in various activities and receive constructive feedback from my teachers. They always help me to take one step ahead so that I learn and progress. Last, I want to say that my school is my second home. I will always miss my school life after leaving it."

**Jasneen Kaur**  
Class IV- A

"DIS gave me a promise of new hope and enlightenment in various aspects of my comprehensive growth. The school not only focused on my academic aspirations, but it also became a torch bearer in developing my mindfulness. My mentors and classmates helped me to be more open-minded and look at the world from multiple viewpoints by immersing me in a variety of experiential scenarios that I could easily relate to. I like the concept of 'Support Classes' that aid us in bridging the learning gaps. I would also like to state that as I have learnt to play 'Mridangam', my school always allows me to showcase my talent on various occasions. Gratitude is the expression that I would like to dedicate to team DIS"

**Sriniketh Sundaresan**  
Class XII A

"It is my privilege to be a part of DIS because my school imparts me with the knowledge of right and wrong. I am well guided by my teachers who always encourage me to reflect and take learning. I really appreciate the efforts done by my teachers to make each day count in our lives. My favourite places are the library and the computer lab where I can spend hours and hours and yet learn."

**Har Krishan Chopra**  
Class VI A

"I am absolutely excited to be a part of DIS. It not only focuses on academics but also on co-curriculum activities. The clubs are an interesting part of the week and the inter-house, inter-school competitions allow us to think out of the box. There are many excursions and field trips that take place throughout the year which complement our learning experience. As the school inculcates various essential values in us, we are taught to take responsibility for our actions and become true leaders."

**Mehpreet Kaur Chawla**  
Class VII
