Heads of Schools affiliated to CBSE,

Subject: Orientation webinar on 'Passport to Earning' program by CBSE and UNICEF for the schools selected for the pilot phase.

CBSE is collaborating with UNICEF and YuWaah(GenU India)for the Passport to Earning (P2E) initiative, an e-learning initiative to empower students with relevant skills and abilities to thrive in the 21st-century and provide pathways to entrepreneurship, employment & social impact opportunities. This youth-centric platform provides highly engaging and curated courses driven by industry requirements on 21st-century life and employability skills, financial literacy skills, digital skills, entrepreneurship skills and more for students from classes 9 - 12 (14+ years). This platform also provides an interactive learning experience and is available to CBSE schools free of cost. The platform can be accessed using the link: <https://myp2e.org/cbse/>.

Key features of P2E include:

- High-quality certificate courses on a wide variety of 21st-Century Skills that will help learners with their careers and personal life in the future
- Certifications by United Nations India, UNICEF, YuWaah and partners
- Rewards and recognition opportunities for schools, teachers, and students

It gives me immense pleasure to inform you that your school has been shortlisted to participate in the pilot phase. In this pilot phase, the selected schools shall be invited to explore this unique learning experience for their students. Thereafter, the program shall be made available to all schools in academic year 2023-24. All the participating schools will also receive special recognition from CBSE and UNICEF.

UNICEF and YuWaah will also conduct teacher training workshops for selected schools to orient them to implement the program. All students and teachers from selected schools must participate in this program.

CBSE, UNICEF and YuWaah are organizing a webinar to introduce the P2E platform and orient the schools in the pilot phase. Schools can express interest to be part of the P2E pilot and attend orientation webinar by [clicking here](#). There is no restriction on the number of participants per school and we encourage more teachers and Principals to join us to help more students to be part of this initiative. The webinar details are as follows:
