PLATFORM FOR INVESTOR EDUCATION (CLASSES XI AND XII)

Dear students

A new learning platform, Platform for Investor Education (PIE) has been created by Indian Institute of Management Bangalore (IIMB) in collaboration with the National Stock Exchange of India Ltd.(NSE).

CBSE has Financial Education, which is offered in association with NSE, in the curriculum to ensure that the students are well-equipped to handle their finances judiciously. In this new platform PIE, several financial educational resources have been offered that can complement CBSE curriculum.

All the students are suggested to visit the educational resources available on the PIE(<https://pie.ccmrm.org/#/>) and take benefit out of this platform.
