CIRCULAR

**Sub: Mass ABHA (Ayushman Bharat Health App) and ABDM awareness drive in school – Regarding.**

The Ayushman Bharat Digital Mission (ABDM) aims to develop the backbone necessary to support the integrated digital health infrastructure of the country to bridge the existing gap amongst different stakeholders of healthcare ecosystem through digital highways, making healthcare available, accessible and affordable.

Through ABHA and ABDM enabled Personal Health Record (PHR) applications, citizens shall have the facility to link, securely store and access their medical records digitally. This gives citizens complete control over their health records and ability to choose what to share with their healthcare providers.

Creation of ABHA & linking of digital health records including Vaccination records will provide lifelong benefits to the children and will also strength the digital health care system of country.

All heads of Govt. /Govt. Aided / Pvt. Unaided recognized schools under the Directorate of Education are directed to disseminate this information among the students, teachers, parents and SMC members.

The procedure for creation ABHA is annexed herewith for reference.

All DDEs (Districts/Zones) are requested to ensure the compliance of the same.

This issues with the prior approval of competent authority.
